Staff Architect, Real Estate and Construction Division, OL

3017

23 July 1971

Chief, Real Estate and Construction Division, OL 906 Ames Center

Acting Director of Logistics 1227 Ames Center

Re Para. 7b

Liaison will be established at an appropriate time with the Council on Environmental Quality in order to learn what they may wish in the way of an environmental impact statement. It is felt that the statement will not be needed until around January or February 1972.
